

CASE STUDY: ELECTRONIC DISCOVERY

The Client

The Client was the US law firm involved in financial transactions and complex dispute resolution proceedings.

Challenges

Defendant was ordered to produce ESI documents on plaintiff's motion to compel e-discovery documents.

The Solution

Aeren LPO provided a complete range of electronic evidence discovery services throughout the project. To meet the clients' aggressive schedule, EDD team worked 24/7 using LAW software. The case was supported around the clock by expert project management.

This project included custom processing to address the many different e-mail formats contained in the clients' datasets. Aeren LPO also was able to dramatically reduce the amount of data by culling against search terms and using advanced de-duplication procedures, resulting in a quick and efficient review.

We had successfully delivered the project back with client expected quality and much before the client deadline

Client Comments

"Aeren LPO is the best offshore company for all eDiscovery needs. I truly appreciate the work performed"
